### PROFILE

I'm from Saratov, Russian Federation. I was a lawyer with experience in contract law. It has always been my desire to work in IT. Now I am looking for an opportunity to change my field of activity and finally come to what I wanted for a long time. Previously I studied the MS SQL by myself and was an intern in writing requests. Now I am studying to be a web developer, namely studying interaction of HTML, CSS and JavaScript.

I am MASA program graduated in the field of web development. As a result of the course, I gained the skills necessary for Front-end development.

I did my internship in SerVC, Herzlia, Israel. As part of the MASA program, I studied React framework, during the internship I was taught a new framework for me - Angular on which the project was written and with which I worked throughout the entire internship.

### EXPERIENCE

JAN 2022 - APR 2022 **FRONT END DEVELOPER INTERN**  
SERVC

During the internship I did many tasks among which:

Redesigned all tables in the project in accordance with the layout in Figma and thus improved the user experience based on customer feedback.

Created a library of components such as inputs, selectors, icons to improve DX.

Was responsible for rewriting the login page (both frontend and backend).

OCT 2021 - DEC 2021 **STUDENT**  
MASA

During the course I created projects that helped me improve my front-end development skills. For example, this is a quiz game project and simple calculator.

These and other projects created by me are attached to the portfolio.

APRIL 2021 **SQL FREELANCE**  
FREELANCE

Compilation of SQL queries  
Ensuring the operation of databases

OCT 2020 - DEC 2020 **LEGAL ADVISER**  
NORNICKEL

Norilsk Nikel is the world's largest producer of nickel and palladium.

Created and edited over 200 contracts  
Negotiated with more than 10 counterparties, including government agencies
