Summary:
I have 6+ years of experience in server-side development. I have been developing DWH with ETL processes, data input forms and OLAP reports. I have been implementing business logic in PL/SQL. Now I am learning Hebrew on MASA in Kiriat Yam.

Professional skills: SQL (Oracle), PL/SQL, C#, Python

Languages: Russian: native; English: B1.

Experience:

02.2015 – 09.2019 Pro IT Resource – Oracle developer Perm, Russia

Development and support of OLAP financial data monitoring systems.
The business logic of the systems was implemented as PL/SQL packages. Main tasks which were implemented:
- Data loading from external systems in form of incremental daily updates in XML;
- Maintenance of various directories and indicators, data input according to them;
- Development of OLAP reports based on input data.

10.2018 – 05.2019 KIBERone – Tutor Perm, Russia

07.2013 – 02.2015 ER-Telecom – Oracle developer Perm, Russia

- Support of the Equipment Manager system (network equipment accounting system);
- Finalization of the electronic document management system in Equipment Manager: transferring documents to 1C and billing system;

12.2010 – 08.2012 JSC PROGNOZ – Junior tester Perm, Russia

09.2008 – 08.2010 The Perm State Regional Universal Library named after A.M.Gorky – Computer lab administrator Perm, Russia

Education:

2011 – 2017 **Perm National Research Polytechnic University**
Electrical Engineering Faculty, speciality: automated control and information processing systems (extramural, incomplete)

2007 – 2010 **Perm State National Research University**
Faculty of Mechanics and Mathematics, speciality: mechanics, applied mathematics (incomplete)

Hobbies and other activity: I like running, fencing and hiking. I have experience as a volunteer.
